

How to print from the iPads

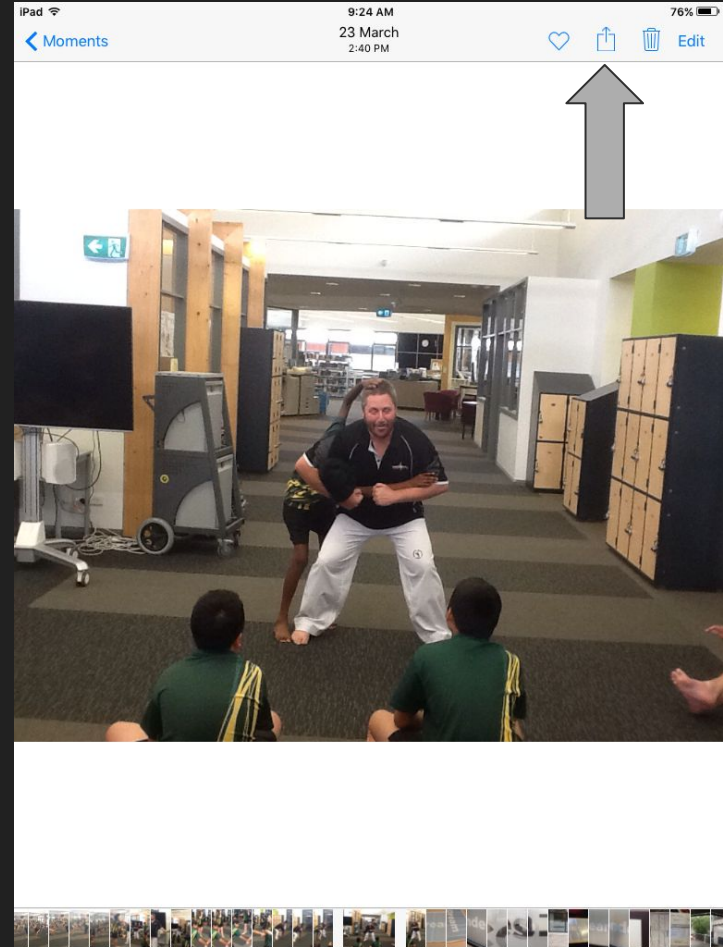

Have a look at this quick guide which shows you how to print from the iPads.

It's easy!

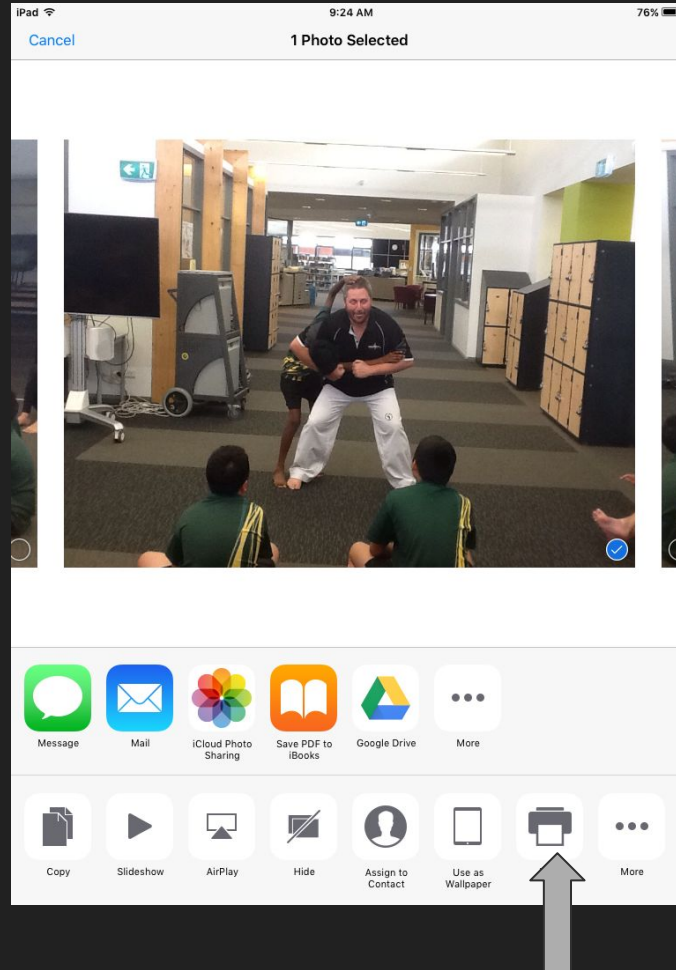

Select your photo/document

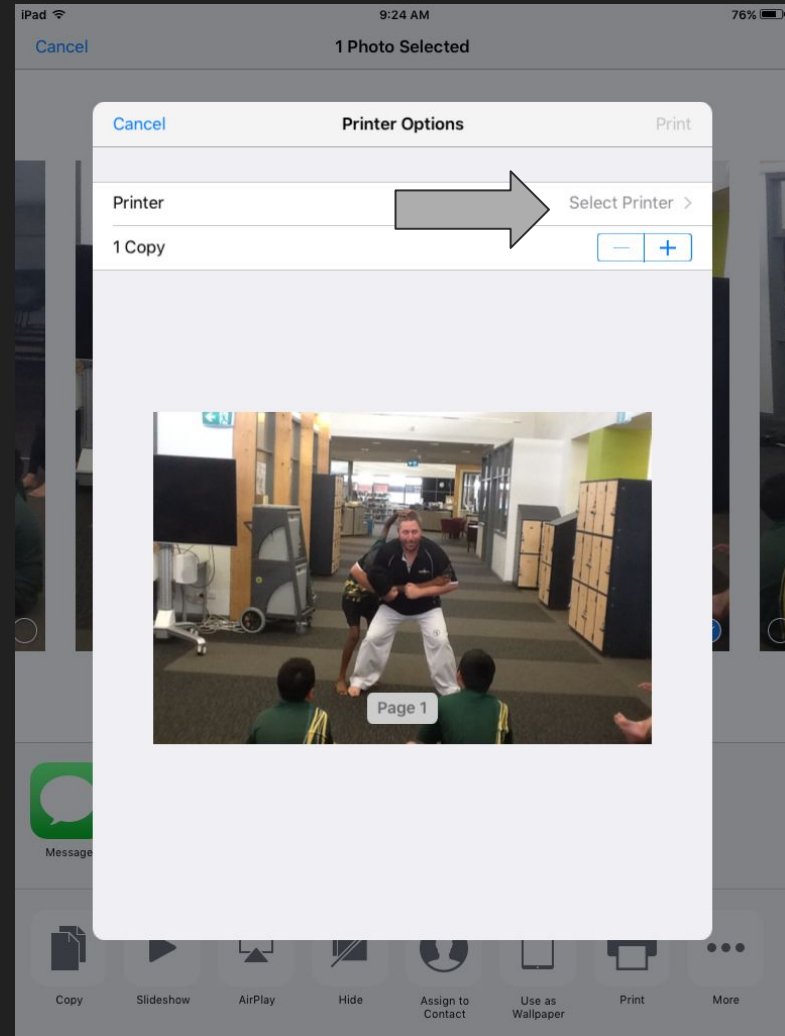

Choose the 'send to' icon

Select the printer icon at the bottom of the page.

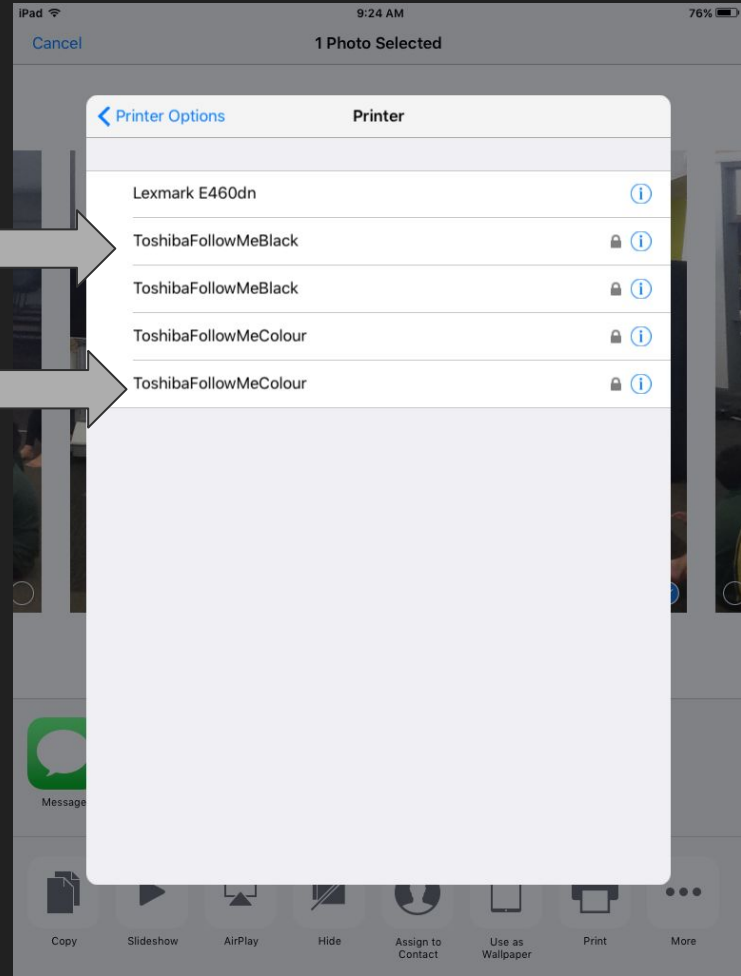

Select printer.
(You can also
select number of
copies.)

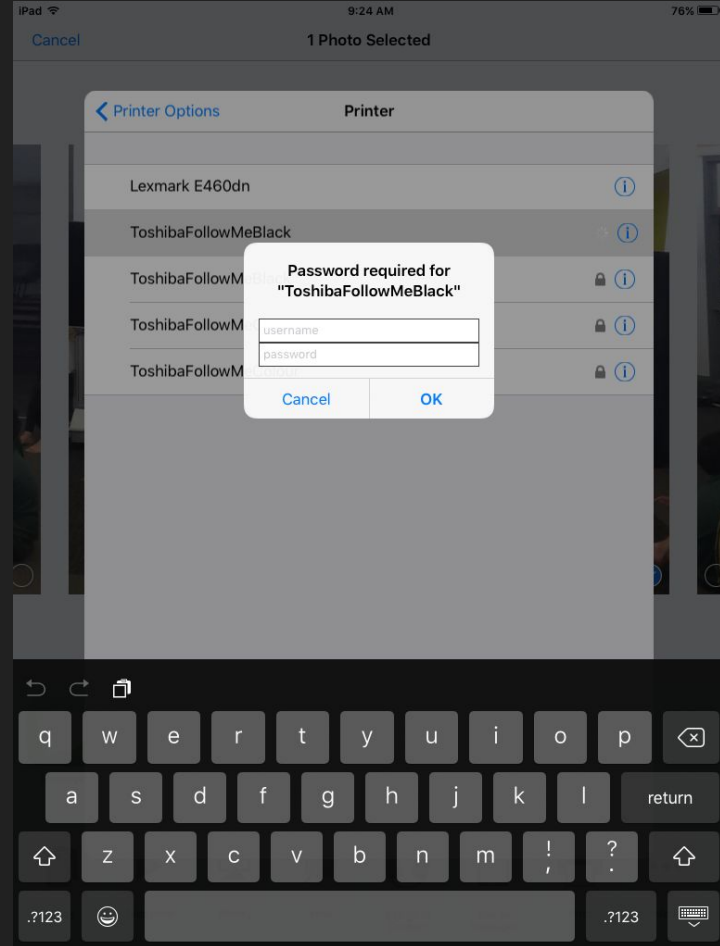

Wait for a moment to get the ToshibaFollowMe printers.

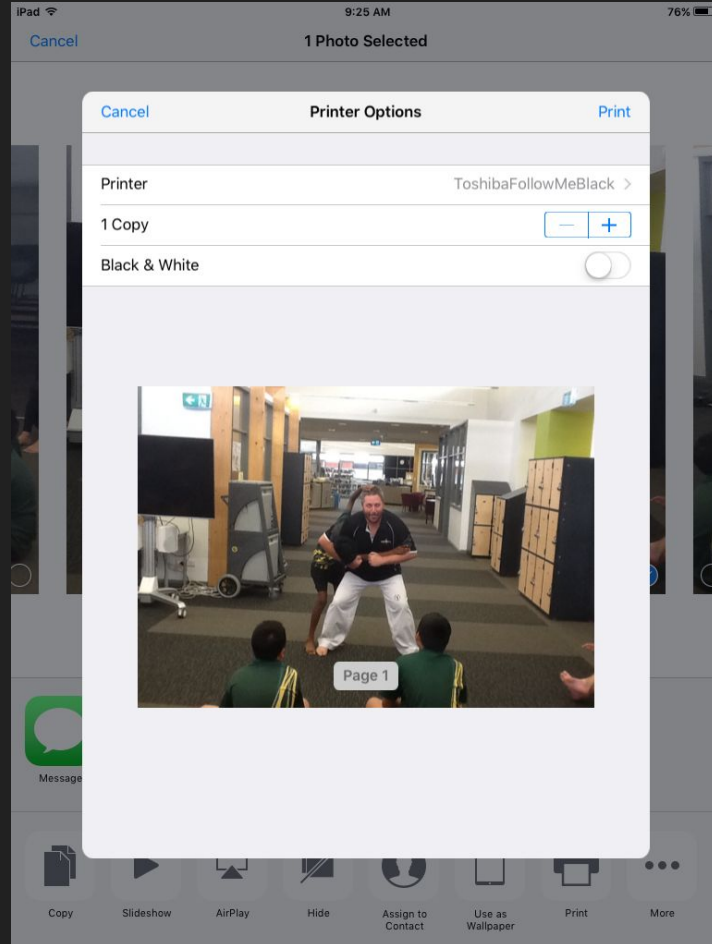

Select either TFMBlack (if you want Black & White), or TFBColour. (Ignore the fact they are listed twice. Use either one.)

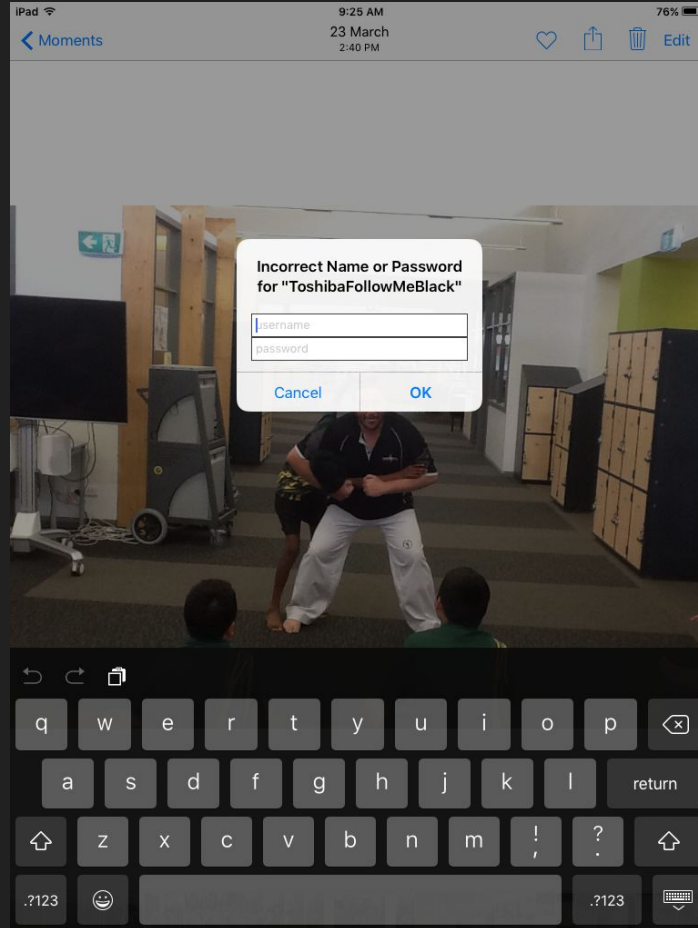

Put in your Student
code,
Then your
password.

Select 'Print.'
*The default setting is for double-sided printing.

Ignore the
'Incorrect name
or password'
message and put
your ID code and
password in
again.

That's it!

You don't get a message to say it has been sent.

Simply go to the printer to collect your printouts.

Remember, it's quicker to release the printouts with your ID Card!

You can send your print request from anywhere in the school.
