

# YEP ACTIVITIES

## **City Explore Cycle – (Students must have their own bike)**

Students have their bikes checked and learn about bike maintenance. This is followed by some instruction about safe riding practices. Participants then ride along Lawrence Road to the Scotchman's Creek bike path and along the bike path to Federation Square. Once at Federation Square, students have time to have their lunch before catching the train back to Mount Waverley station, where they will be dismissed. **Sorry, no BMXs allowed for safety reasons. Students with BMXs or bikes in poor condition will not be allowed to ride and will remain at school. Students to provide their own MYKI card for the train.**

## **Cricket & Thunderhoc**

Feel like a day of sport? Join us for cricket and thunderhoc. In the hall at the Senior Campus we have a half day of cricket - two teams, only one can win. Everyone will get a turn to bat and bowl. Soft cover balls will be used so it will be safe for all to play. Hockey will also be played in the hall. Using a puck, students are to score a goal through the opponent's defence.

## **Botanical Gardens Walk**

Students undertake a supervised walk in the Botanical Gardens, learning more about its features. This activity is combined with either a walk along Southbank to the Crown foyer, (only), to view 2017 dazzling display and light show, or a walk to the Town Hall to view the Christmas decorations and the Gingerbread Christmas display. Students are to provide their own MYKI card for the train.

## **Games Centre**

Students will spend the day in the library rotating between varieties of different game stations. The stations will include, but are not limited to: Magic the gathering, Guitar hero, board games, E-sport.

## **Jewellery making with Origami – (only available Thursday & Friday)**

Students will make a series of origami shapes and use them to make a necklace and earrings, the origami will be coated to preserve. The jewellery will make lovely Christmas gifts!

## **Wood Presents**

Students will have a choice to make wooden box, spice rack, game, bookends etc.

### **Drawing Anime and Manga**

Anime fans unite! Screening of popular Anime/Manga films for half a day, as well as learning how to draw pictures and Japanese characters.

### **Laser Cut Christmas Creations**

Students will be designing and laser cutting their own Christmas creations.

### **Puzzles, Crosswords & Sudoku**

Find out about anagrams, run-ons and homologues, a step-by-step guide to some of the word puzzles that make up cryptic crosswords, followed by an opportunity to compete some. Students will also be taught how to do Sudoku and attempt puzzles of different ranges of difficulty. For those already competent, there will be a range of different types, such as Killer and Kakuro.

### **Murder Mystery- Forensic Investigation**

Join the MWCIS (Mount Waverley Criminal Investigation Service) team and help solve a crime. Learn how to use special forensic techniques such as analysing fingerprints, blood spatter and chromatography. Finish the day with an exciting forensic science movie.

### **Tennis Tournament**

How about a day of Tennis? Join us for a tennis tournament on the Senior Campus Tennis Courts.

### **Trivia**

Students will work in teams to compete in a day of trivia, with a few mini games thrown in as well.

### **Making a Dream Scope in a glass Dome**

Using a glass dome create your very own miniature world. Choose from seascape or city. Skills include: drawing, tracing, cut paper, and 3D construction. Hands on and lots of imagination!
