---

November 2017

Dear Parents/Carers

Mount Waverley Secondary College is committed to providing the best possible education for your child and seeks your support in achieving this aim.

At Mount Waverley Secondary College we deliver a broad range of curriculum programs designed to meet the needs of a diverse group of students. We also provide enhanced facilities to ensure that your child has a positive learning experience at school.

In 2017, through the generous contributions from our families to the Grounds Fund, we were able to install a vertical garden on our Middle School building at the Senior Campus.

In 2018, we will be undergoing a college funded building project on the Senior Campus that will include the installation of new open style learning spaces, a new locker bay, refurbishment to our administration area and new decking to the VCE centre. Your contributions to the college Building Fund will greatly assist us in completing this project to the highest possible standard. Contributions to the Building Fund are tax deductible.

Voluntary contributions consist of the College Council contribution (which provides for items such as onsite nurses, hire or purchase of new equipment, Parents & Friends Association, fundraising allowance, lunchtime activities), Building Fund and Grounds Fund.

We invite all parents/carers to pay the voluntary contributions. We take our responsibility for educating your children very seriously and we rely upon and thank you for your ongoing support.

Yours sincerely

Karen Wade  
College Principal

Abigail Wraith  
College Council President
