- Information and resources for the VCE
- Information about tertiary study, university, TAFE and training courses
- Career advice
- Study advice
- Employment advice and opportunities
- Apprenticeship and traineeship advice
- International exchange and gap year programs

Over and above access to exhibitors, attendees will also have access to [seminars](#) on topics including –

- VCE subjects including English, Maths, Biology, Business Management, Psychology, Health and Human Development
- Tertiary courses
- Careers
- Employment opportunities
- Gap year options

This event will take place at the Caulfield Racecourse 1 – 2 May 2021, from 9.00am – 3.00pm.

Australian National University **Bachelor of Health Science**

The **Bachelor of Health Science** degree equips students with a broad understanding of the themes explored in advanced studies of medicine and offers a [potential pathway](#) to the [Doctor of Medicine and Surgery](#) at ANU.

The [Bachelor of Health Science](#) is a distinctive science degree which positions students as a future leader in tackling health problems of national and global significance. It draws upon the world-leading strengths of ANU in *medical education, biomedical science, population*

health, psychology, social science, and public policy to prepare students for a future in medical professions.

The Bachelor of Health Science offers a pathway to the postgraduate Doctor of Medicine and Surgery at ANU without having to sit the GAMSAT. Eligible students will receive an offer to the Doctor of Medicine and Surgery, contingent upon their weighted average mark (WAM), an interview process, an application statement and successful completion of the Bachelor of Health Science program.

Aspire – Early Admissions Program to La Trobe

At La Trobe, we believe there is more to being a good student than marks alone.

The [Aspire program](#) rewards the skills and knowledge students gain from the positive impact they have made on their school or community through **community service** or **volunteerism**. Designed to give Year 12's the tools they need to succeed at La Trobe and beyond, students accepted into the Aspire program will get:

- A taste of university life at La Trobe with special on-campus events before the year commences
- The chance to meet and connect with like-minded students
- Leadership opportunities, career development, networking, and industry mentoring
- VCE revision lectures for Year 12's in the September school holidays
- Access to La Trobe's extensive library and campus resources
- Induction into La Trobe's Enrichment Program to prepare for what is to come

Successful applicants also receive their **early conditional offer** in September for their chosen course along with minimum ATAR requirements. Many courses have a minimum ATAR of 55.00, but some professional degree programs have higher requirements.

Up to 40 [Aspire scholarships](#), worth \$5,000 per year for up to four years, will be awarded to leading eligible Aspire students.

The [Minimum ATAR Table](#) shows the minimum ATAR for some professional degree courses for entry through Aspire in 2022. Should an applicant’s preferred course not be listed on this table, then the minimum ATAR is 50.00.

Applicants are required to provide information about the length and frequency of their community service and/or volunteering experience, as well as a 400-word description of their involvement and impact.

Types of volunteering include –

- community service or community group activities
- religious/cultural group activities
- participating in social justice groups or a school leadership role
- leadership in sport, the performing arts or charity fund-raising group activities

Further details can be found at the [How to Apply](#) link. Applications open 19 April 2021 and close 31 August 2021.
