Alumni giving back

As part of our focus on career planning and future pathways, families recently attended the Transition to Senior Campus event - designed to provide valuable insights and strategies to support their child's transition into Year 9 and beyond.

It was wonderful to have members of our Alumni community volunteer their time to share their experiences and advice with our Year 8 parents. Shubham Goel (Class of 2015) and Kelvin Nguyen (Class of 2018) reflected on their journeys from their time at the College through to their current careers, offering thoughtful guidance and encouragement.

We are grateful to our Alumni for continuing to give back to our College.

Multi Generation Families

Are you part of a multi-generation family at Mount Waverley Secondary College?

If we haven't heard from you yet, we would love to!

Whether you are an alumni or have multiple generations of your family who have attended the college, we want to celebrate your connection and thank you for being part of our school's rich history. Our Alumni community continues to play an important role at the college and we are always inspired by the stories and achievements shared by past students.

If you or your family are part of this proud tradition, please get in touch and share your story with us.

Here's a recent message from one of our alumni:

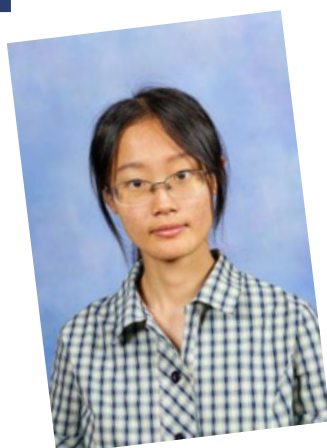

As a former student who attended Mount Waverley Secondary College I would like to express my sincere appreciation for the excellent education and supportive environment I experienced there. I really love my time at MWSC. The encouraging and inspiring atmosphere created by the teachers, staff, and fellow students made it a wonderful place to learn and grow.

Since graduating, I have completed a Bachelor of Pharmaceutical Science at Monash University, supported by a scholarship awarded for achieving an ATAR of 99.

I'm delighted that my sister will be joining MWSC next year in Year 7, and I'm confident that she will enjoy the same positive and inspiring experience that I did.

Kind regards,

Alice

Reunion - MWSH Class of 1975

This event was a cracking success! Held at the Notting Hill Pub Beer Garden on Saturday 29 November. There were just over 40 former students in attendance, many of whom travelled over 1000 kilometres to get there and they had a wonderful time of reconnecting and reminiscing.

Planning a private event? Let us know as we are happy to promote it on our social media platforms.
